

# Safety in Design

With Steven Collins

Supported by

## **1 May: Launceston: Safety in Design w/ Steven Collins**

Senior Work Health and Safety Advisor Steven Collins will provide a refresher on the Work Health and Safety Act 2012 and the Work Health and Safety regulations 2012. Steven will focus on designer responsibilities in regards to the design of plant, substances and structures. The seminar will address some definitions in relation to the legislation and how they support both the Act and Regulations.

**When:** 1pm-3pm Monday 1 May

**Where:** School of Architecture and Design, University of Tasmania,  
8 Invermay Road, Inveresk

**Cost:** \$15

**Book now**

## **27 April: Hobart: Safety in Design w/ Steven Collins**

Senior Work Health and Safety Advisor Steven Collins will provide a refresher on the Work Health and Safety Act 2012 and the Work Health and Safety regulations 2012. Steven will focus on designer responsibilities in regards to the design of plant, substances and structures. The seminar will address some definitions in relation to the legislation and how they support both the Act and Regulations.

**When:** 12:30pm-2pm Thursday 27 April

**Where:** Institute of Architects, 1/19a Hunter St, Hobart
