

ArchiTECHNOLOGY: Going digital to power your people and projects

Managing increasing amounts of project and staff information has long been a challenge for architecture practices. In this National Seminar Series, Project Management and HR Management presenters will explore how architecture practices can improve efficiency, collaborate more, reduce risk and manage progress within a digital environment.

Livestream: 12pm-2pm Tuesday 3 October

Hobart: 12pm-2pm Tuesday 10 October

Where: Tasmanian Chapter, 1/19a Hunter Street, Hobart, TAS

Launceston: 12pm-2pm Wednesday 11 October

Where: University of Tasmania, School of Architecture and Design,
Rory Spence Lecture Theatre
