

## 2018 national architecture conference

Hosting over 1000 delegates each year, the National Architecture Conference – presented by the Australian Institute of Architects – is the profession’s largest annual gathering, providing unrivalled networking opportunities and continuing professional development to inspire and keep you at the forefront of practice. In 2018, the two day program will focus on architecture’s ability to impact our quality of life on the *Edge* – of our region, our cities and our environment.

*Over 1000 delegates*

*Internationally renowned speakers*

*Unrivalled Networking*

**When?** Wednesday 6<sup>th</sup> – Friday 8<sup>th</sup> June
